SPARK RESEARCH DATABASE FROM LIGHTBOX LEARNING

Where little learners find answers to their big questions

Bilingual K-2 reading and research with read-to-me audio.

Spark LIGHTBOX

Hundreds of kid-friendly topics

450+ interactive eBooks

100+ hours of videos

ENG/SPA switch with one click

Made for Colorado's K-2 learners and their families

Built for beginning readers

Short, simple articles with read-to-me audio and word-by-word highlighting.

English and Spanish

Families can read together with human narration in both languages.

Easy to search

Kids can search by voice, and smart search helps kids who are learning to spell.

No checkout limits or holds

All families can access the same article, eBook, activities, and more at the same time.

At the library or at home

Families can explore articles, videos, eBooks, activities, and more on any device with WiFi.

Customize with your logo

Families see your library's name every time they use it.

Coming December 2026: Explore Colorado!

State symbols, our capital, Native nations, sports teams, and more.

Intro Pricing

$999 per building/branch, per year

Locked in for 3 years. Regular price $1,499
