ACLD SCHOOL & LEARNING CENTER
COMMEMORATIVE
TILE CAMPAIGN

For over 50 years, ACLD School and Learning Center has provided support services to children and adults who struggle with learning. During this time, ACLD has touched the lives of thousands of children in the Mahoning Valley with Specific Learning Disabilities, such as Dyslexia, Autism, ADHD or Cognitive Disabilities, as well as children who just needed support to strengthen specific academic skills. Now that ACLD is expanding its facility, you have an opportunity to leave your mark and become part of our history by purchasing a commemorative brick tile.

These brick tiles will be displayed on the long hallway that will lead from ACLD's current building into the new addition, signifying our growth toward the future. Purchasing a brick tile not only supports ACLD, it provides you with an opportunity to honor or memorialize yourself, your family or other loved ones. The brick tiles also make great gifts for holidays or special occasions.
