SHABOT OBAADJIWAN May 2021 NEWSLETTER

Kwey Kwey,

I hope that you and your family are well and staying safe in these very trying times. Spring has finally sprung, the fish are up, the frogs out and new life is all around us.

Progress is being made in the Algonquins of Ontario Treaty Negotiations. The Algonquins of Ontario have secured funding to assist the Algonquin Negotiation Representatives (ANRs) with the presentation of their Community Constitutions for your questions and comments.

It is very important that you make every effort to read the Shabot Obaadjiwan Community Constitution chapters as they are presented on the shabotobaadjiwan.com web site.

Your voice matters and without it my voice will be the only one heard at the Algonquin of Ontario Negotiation Table. The Shabot Obaadjiwan Community Constitution will be one of the most important documents laying out the community structure, laws and management of lands and resources.

The details for signing into the web site are as follows:

1. In the search bar of an internet browser of your choice type **shabotobaadjiwan.com** then click enter.
2. On the shabotobaadjiwan.com website navigation bar, click the members section drop down menu then select registration.
3. Once in the registration section, fill out the form on that page with your address, phone number, email address and community card number. (If you do not have an email address you will need to create one to join the website.)
4. In 1-2 business days you will receive an email that contains an invite link. After receiving the email inviting you to the website, open it and click the blue underlined text that says create a password.
5. Once you have created a password for your account you will be able to view community member only content like newsletters, hunting information, and the Constitution.
6. To access the Constitution Q&A section click the members only drop-down menu and select Constitution Q&A
