

## ROBOTIC PERIPHERAL PRODUCTS

Pneumatically Powered Rare Earth Magnets

End OF Arm Tooling Components – E.O.A.T

Modular Compliant Gripping for Food, Health Care, Pharma Applications

Robotic Cable Management – Dress Packs, TCP Sensors, Robotic Cable Management

Power Clamps, Centering Devices, Slides, Pivoting Tools

## PNEUMATIC & VACUUM AUTOMATION

Quality Cost Effective Pneumatic Valve, Actuators, FRL,S, Food Industry Products

Tube Fittings, Flow Controls, Tubing, Grippers

Vacuum Automation – Suction Cups, Pumps, Vacuum Grippers, Mounting Elements

Quality Pneumatic Valves, FRL,s, Pneumatic Logic Controls

## LINEAR MOTION, ELECTRICAL CONTROLS, SENSORS, MECHANICAL

Belt & Ball Screw Drives, Linear Motors, Electric Cylinders & Slides

Pressure & Vacuum Sensors, Air Cylinder Sensors & Cables, Flow Sensors, Position Sensors

I/O Systems, In Cabinet Electronics, Interfaces, Connection Technology

Safety Devices, Sensors, Position Switches, IP69 Safety Switches (Food Industry)

High Performance Servo & Stepper Motors - IP69 Hygienic, Food Grade, Washdown

Aluminum Profile Extrusions, Components, Kits, Metric & Imperial Sizes
