Background

Architect graduated from the University of Panama and with a Postgraduate and Master's Degree in Business Administration with Specialization in Project Formulation and Evaluation, from the Universidad del Istmo (UDI). More than 30 years of experience . I lead and coordinate a multidisciplinary team of architects, project developers, interior designers and engineers from different technical specialties committed to the highest technical-artistic standards at the service of our clients. Our professional team has been responsible for the design of a large number of varied projects and multiple commercial projects. Meritorious Member (25 years) of the Panamanian Society of Engineers and Architects (SPIA).

Before dedicating ourselves to the Independent professional practice, we collaborated in the firm Juan Ballanis Arquitectos, Ambiente, S.A. (Residential Furniture), Decolosal, S.A. (Furniture and Office Divisions), The Chase Manhattan Bank.N.A. (Architecture, Property and Maintenance Division).

Along with activities and professional practice, I was a Partner and Founder of the companies A.G.Design,S.A. and A.G.Displays,S.A. in Panama City and the Colon Free Zone, respectively. (Companies dedicated to all activities of architectural and interior design, construction management, medium interior remodeling projects and also dedicated to the commercialization of specialized products in the display and decoration of stores. (Products and Materials from the USA, Taiwan, Korea, Japan and Thailand)
(Projects and Clients in the Caribbean, Central and South America)

Another series of Interior Design Projects of relevance both Locally and internationally are the Casinos in the regional area of the Caribbean, Central and South America. (Venezuela-Suriname-Ecuador-Chile-Colombia)

Interior Design of food franchises and others, both in Panama and internationally. (Burger King, Lynn's Hallmark, Cinnabon, Papa Jhon's among others)(Panama-Colombia-Costa Rica and Dominican Republic)

Description

- Design and development of blueprints
- Interior design following the Franchise Handbook
- Inspection and construction coordination
- Interior design coordination

A photograph of a Cinnabon restaurant interior. The most prominent feature is a large, illuminated sign for "CINNABON" in a stylized, blue and white font. Below it, a curved banner reads "WORLD FAMOUS CINNAMON ROLLS". The interior has a modern, clean design with recessed ceiling lights and a counter area visible in the foreground. The sign is mounted on a dark blue background that contrasts with the lighter interior walls.

CINNABON

WORLD FAMOUS CINNAMON ROLLS

Cinnabon Restaurants

Many locations across the country and internationally (Costa Rica, Dominican Republic and Colombia)
