

Caring Matters

August/September 2022 - The newsletter of Carers Northumberland

Welcome to the August/September edition of Caring Matters...

In this issue you'll find

- Meet our new team members
- Photos from Carers Week 2022
- Advice on the rising cost of living
- Walks, trips and much more!

As we write this the sun is shining and it looks like we will have a glorious summer.

We have so many exciting things planned for the coming months and you'll find out more as you read through this newsletter. To make the most of the good weather we have planned walks, trips and carer catch ups across Northumberland. We also have a new schedule of workshops, which will now be held both face to face and via Zoom.

We would like to take this opportunity to thank everyone who took part in Carers Week, and for all the positive feedback we have received. We really enjoyed getting out into the community and seeing you all.

RETURN TO WORK CARERS PROJECT

State of Caring

SURVEY 2022

The State of Caring survey 2022 is now live! This is the most comprehensive research into the experience of carers in the UK. It creates a powerful body of evidence that highlights what caring looks like in the UK today and what needs to be done to ensure carers are supported. Last year, over 8,000 carers shared their experiences in the survey. This helped us to secure new rights for carers in the Health and Social Care Act 2022 in England, provide evidence of the need for a right to Carer's Leave and campaign for cost of living support for carers across the UK.

We want to hear what challenges you're facing and what support you need. Have your say:
<https://www.surveymonkey.co.uk/r/YR9Y9W6>

The survey takes around 20-30 minutes to complete – we really appreciate every carer who takes the time to share their experiences

Welcome our new Info Team members!

Hayley - Carer Information & Advice Worker - Mental Health

Hi, my name is Hayley, I have recently joined the Carers Northumberland team as an Information and Advice Worker – Mental Health. In my role I will be providing support and assistance to carers with a focus on mental health and wellbeing and/or learning difficulties/learning disabilities.

Throughout my career I have worked with vulnerable children and young people and in more recent years have focused on a mental health pathway. I have worked within a multidisciplinary team to provide a holistic approach to

care. I have supported young people in group settings to provide therapeutic interventions as well as working one to one to provide support.

I was interested in this job role at Carers Northumberland as I have lived experience of being a carer for family members and understand the impact this can have on a person's life and would like the opportunity to support carers in their role. During the pandemic I rescued a lurcher puppy and now spend a lot of my time walking him on the beach.

Dan - Carer Information & Advice Worker

Hello, I'm Dan and I recently joined Carers Northumberland as a Carers Information and Advice Worker. My background is in pharmacy, having worked across various roles in community pharmacy since 2009. For the majority of my career I worked in patient facing roles, providing medications as well as advice and signposting to patients all over Northumberland. More recently I was involved in pharmacy regulation which, being a non-patient facing role, made me realise that I really missed the personal interaction and the relationships built up over the years with patients. I joined Carers

Northumberland as I wanted to get back into a role where helping people is the number one objective. There is definitely a lot to learn but everyone at Carers Northumberland is so friendly and knowledgeable that they are always on hand to answer any questions I have. I have already been privileged enough to attend some of the carers support groups we run around the region and have managed to meet some of you face to face and I'm really looking forward to helping and working with you all in the future.

I have lived in Northumberland my whole life and I don't see myself ever moving away. We are so lucky to live in a such beautiful part of the country and my spare time is usually spent exploring Northumberland on my motorbike or going for walks with friends or reading in my garden. I'm also part way through renovating my house, which I bought just before the start of lockdown so that keeps me really busy!

CARERS WEEK 2022

Carers Week is over for another year, we had an amazing time and we hope you did too! With afternoon teas, walks, cookery sessions and trips to Alnwick Garden and local fire stations we had a busy week and saw carers all over Northumberland. We wanted to share some photos of the week, thank you so much to everyone who got involved.

Cost of Living Support Guide

Earlier this year the government announced financial support to help households cope with the increased cost of electricity and gas. The main feature was to give all households in Council Tax Bands A-D a non-repayable payment of £150, most of which have been paid in April or May. The continued rising costs of energy, and other goods have contributed to rising inflation and further support measures have been announced. This guide lists upcoming support measures from the government.

Name of payment	How much? (all are grants)	Who is eligible?	When and how?
Energy Bills Support Scheme	£400 per household	Households with a domestic electricity meter(all households).	Via energy suppliers over 6 months from October 2022. Direct debit and credit customers- money credited to their account. Pre-payment meter customers- money applied to their meter or paid via a voucher.
+ Pensioner Cost of Living Payment	£300 per household	Must be over State Pension age (aged 66 or above) between 19 – 25/9/2022 and be receiving the Winter Fuel Payment. (8 million pensioners)	Automatically as a top-up to their annual Winter Fuel Payment in November/ December 2022. For most pensioner households, this will be paid by direct debit.
+ Cost of Living Payment	£650 per household (paid in 2 instalments of £325)	Households on certain means tested benefits as at 25/5/2022 for the first instalment, (another entitlement date for the second instalment will be announced)- Universal Credit or 5 Legacy Benefits(JSA(IB), ESA(IR)/ IS/ WTC/ CTC) or Pension Credit (8 million households)	Automatically paid by the DWP in 2 instalments , the first in July 2022 and the second in Autumn 2022. HMRC will pay a little after this to avoid duplicate pavements.
+ Disability Cost of Living Payment	£150 per claimant	Claimants on DLA/ PIP/ AA/ Scottish Disability Benefits/ Armed Forces Independence Payment/ Constant Attendance Allowance/ War Pension Mobility Supplement at 25/5/2022 (6 million claimants)	Automatically in September 2022.

If you need support or advice with benefits or finances contact our Information Team on 01670 320025 or info@carersnorthumberland.org.uk
