

# BOOK BUCKS

Book bucks are a great way to encourage your child to read! For every book your child reads, award a book buck that can be saved for a reward or prize of your choosing! For students reading lengthier chapter books, you can determine how many book bucks to award upon completion. You can decide how many book bucks your child needs to save to earn a reward.

Here are a few reward ideas once your child has earned book bucks:

- Have a popcorn party and movie night.
- Go on a hike in the woods.
- Make ice cream sundaes.
- Go on a picnic and include some of your child's favorite foods.
- Hold a family game night.
- Create a prize box and allow your child to choose a treat.

Have fun!
