

# Scholar Achievements

Our scholars achieved so much this year. They were all promoted to their next grade level. Our organization's efforts throughout the school year and summer facilitated their achievements.

# One-Year Goals

- To raise sufficient funds to sponsor high-dose tutoring for at least ten (10) scholars for at least one (1) semester (cost = \$200/scholar/month x 10 scholars x 4 months = \$8,000)
- To expand all five (5) programs to our new property (“The TTSF Harvey Site”) located at 523 Mayes Street in Jackson, Mississippi (~ Cost to expand is broken down on next page.)

# One-Year Goals *(continued)*

## TTSF “Harvey Site” EXPANSION PROJECT

**Phase (1) *IN PROGRESS*** To remove dirt and debris and deep clean the property (~cost = \$100,000)

**Phase (2)** To modernize and highly secure the Administrative Building where tutoring, test prep, workforce and professional development will take place (~cost = \$150,000)

**Phase (3)** To design and implement an outdoor classroom where guest speakers and instructors may present (~cost = \$15,000)

**Phase (4)** To design and establish a highly effective butterfly garden where students may study threatened and endangered species and help to mitigate climate change (~cost = \$12,000)

**Phase (5)** To establish safe basketball and tennis courts that provide opportunities for increased physical activity and outdoor recreation (~cost = \$50,000)

**Phase (6)** To establish a safe and highly secure Activity Center where Afterschool and Summer Academic Enrichment Program participants will have access to exercise equipment and near-peer mentoring (~cost = \$250,000)

# Two-Year Goals

## TTSF “Harvey Site” EXPANSION PROJECT (continued)

Phase (7) To design a state-of-the-art Community Science Lab where junior scientists will learn the basics of how to move about and conduct themselves in a science lab, white coats and all, in hopes that they might become interested in pursuing a STEM-based research career, or major in Science, Technology, Engineering, Math, or a healthcare-related field at one of Mississippi’s colleges or universities (~cost = \$500,000)

- To raise sufficient funds to purchase a 15-passenger van for field trips to expose students to museums, historic places, and cultural events (~cost = \$40,000)

- To perform community outreach activities, providing education about various health conditions and facilitating medical home linkages for at least fifteen (15) community members (~cost = \$10,000)

- To help at least one (1) community member to obtain safe, affordable housing (~cost = \$2,000)
- To scale The Literacy Hour to at least one additional radio station within the State of Mississippi (~cost = \$12,000)
- To provide nutritious meals to at least fifty (50) community members (i.e., youth ages 6-18, and elders ages 65+) during the summer months (~cost = \$5,000)

# Five-Year Goals

- To provide a full one-year tuition scholarship for at least one TTSF scholar to attend an accredited 2-yr or 4-yr college/university or an accredited vocational program anywhere in the State of Mississippi
- To assist at least 20 community members (ages 18-45) with training and workforce development that leads to either dream job placement, entrepreneurship, or a military-based career.

*Together, we can make the difference we want to see.*

# HELP US EXPAND

We were blessed to acquire a site that can be developed into a technologically advanced Activity Center - thanks to the Harvey Family and their Foundation.

## Donors and Sponsors:

Help us connect with donors and with students of low-income families in need. The IRS has determined that our organization is a public charity under IRC Section 501(c)(3). Donors can deduct contributions under IRC Section 170.

## Donations:

In 2025, we will continue our service mission and work hard to raise the funds necessary to formally assess and upgrade the facility and staff it (*Initial Target- \$250,000*).

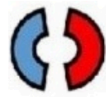

## Harvey Site Community Goals:

- **Student test scores:** Support initiatives to raise reading, math, and overall academic performance.
- **STEAM education:** Fund immersive virtual reality (VR) programs in Science, Technology, Engineering, Arts, and Mathematics.
- **Crime prevention:** Contribute to community outreach and programs aimed at reducing crime rates.
- **Youth development:** Invest in mentorship and afterschool programs that foster positive growth and healthy lifestyles.
- **Facility improvements:** Help renovate spaces to support expanded educational programs and services.

**"A CAREER IS FINITE. OUR LIVES ARE FINITE. BUT THE CONTRIBUTIONS WE MAKE TO THIS WORLD... THEY HAVE A DIFFERENT LIFE SHELF".**
