

THE AMERICAN LEGION

For God and Country

I hope this letter finds you well. I am writing to you on behalf of the Florida American Legion Boys State program, an esteemed educational initiative dedicated to developing future leaders through a unique and immersive experience in state government and civic engagement.

Each year, this program provides high school students with the invaluable opportunity to participate in a week-long simulation of Florida's government, where they learn first-hand about the responsibilities of citizenship and the inner workings of our state institutions. Participants gain leadership skills, form lasting connections, and are inspired to become active and informed members of their communities.

We are seeking sponsors who are passionate about empowering the next generation of leaders. The cost to sponsor one delegate is \$495. This sponsorship covers all expenses, including meals, lodging, and educational materials, ensuring that deserving students can participate regardless of their financial background.

This contribution is tax-deductible, and we can provide tax documentation with EIN and financial amounts upon request. Your generosity will not only support a student's participation but will also have a lasting impact on their educational and personal growth. By investing in these young men, you are helping to shape the future of our community and our nation.

If you are interested in sponsoring a student, providing a scholarship for the session, or would like more information about the program, please do not hesitate to contact me at 727-487-5402 or post46ts@yahoo.com. We are grateful for your consideration and hope you will join us in this important endeavor.

Thank you for your time and support.

Sincerely,
Eric Nestler
Commander, Post 46, American Legion Tarpon Springs
Past 16th District Commander 2022–2024
