# Rural Alaska EMS (RAES)

**Alaska Non-Profit organization with the goal to fund life saving emergency services to Alaskan rural communities.**

April 16th, 2025

# Who are RAES and what is our goal?

## Who are RAES?

A volunteer board from all areas of the community.

## Our Goals

**[DONE]** Establish an interim contract to secure ALS services for Delta Junction.

Present a structure and outline for a independent community owned non-profit EMS services.

# Who is funding the 12 month interim contract of \$1.024 million?

## RAES Obligation

## City Obligation

**31%**

**Community Donations**

**Corporate Donation**

- Need to see community will contribute as well

**54%**

**City Funds**

- Landfill
- Savings

**\$472,850.04** is needed for RAES portion  
for next 12 months.

**DONATE** \$25 per person each month **DONATE**

*\*All funds raised beyond that will go to the establishment and operations of Delta's EMS.*

# What is the service we expect?

## Advanced Life Support (ALS)

This is the same as what we have currently.

## Mutual Aid Agreement - Ft. Greely

This is the same as what we currently have.

## Consistent Emergency Response

Everyone who calls 911 will be helped regardless of donation status.

Donations ensure that there is a provider in Delta to respond to calls.

On March 31<sup>st</sup> 2026, if the Delta community hasn't established its own EMS and backed it with funding, then we will be back in the situation of facing NO EMS service for our community.

# What are the main options?

1

## Private Contractor

- Maintain private provider
- In place already

2

*RAES Developed*

## **DART**

- Non-profit structure
- Hired professionals
- Options for ambulances

3

*Chris Morley Developed*

## **City/DCC Owned**

- Hired professionals
- Refurbished Ambulances

They will all take work.  
They will all take commitment from the community.  
They will all rely on funding from multiple parties.  
They all will need the community to come together and support it.

# What are the next steps?

## Inform Yourself

- DART Presentation and details will be next
- We will cover all the financial options

## Community Vote

- Community voting options

## Get to Work

- This needs to be operational in 10 months
