

Privacy Policy for OverTip

Effective Date: September 01, 2025

OverTip values your privacy. This Privacy Policy explains how our app handles your data.

1. Information Collection

OverTip does not collect or transmit personal information. All data (such as bill amounts, tip amounts, and ratings) is stored locally on your device.

2. Data Usage

The information you enter in the app is used solely to calculate tips, track service time, and generate session history. We do not share or sell your data.

3. Data Storage

Your data remains on your device. If you uninstall the app, all session history and entries are deleted permanently.

4. Third-Party Services

OverTip does not use third-party analytics, advertising, or tracking services. The only third-party integrations are platform services (such as Apple iOS and Google Flutter frameworks).

5. Your Rights

Since no personal data is collected or transmitted, there is no account to delete or export. All data can be removed by deleting the app from your device.

6. Changes to this Policy

We may update this Privacy Policy if needed. Updates will be reflected in the App Store listing and inside the app if required.
