

THE TOP TEN WAYS TO GO TO HEAVEN?

Many think that there are different ways to go to heaven. The following are ten ways that many believe will lead to heaven:

1. Believe in God.
2. Get water baptized.
3. Do the best you can.
4. Join a church.
5. Quit all your bad habits.
6. Start lots of good habits.
7. Live by the Golden Rule.
8. Make Christ the Lord of your life.
9. Ask Christ into your heart.
10. Confess your sins and turn from them.

The truth is that you could do all of the ten items listed and still go to hell instead of heaven. There are not different ways to heaven but only one.

What is the one way to heaven?

You must recognize that you are a sinner and trust only in the blood that the Lord Jesus Christ shed for your sins on the cross. Because you are a sinner, there is nothing that you can do to please God. That is why the ten ways listed above will take you to hell instead of heaven: they are things that you do, and your works cannot earn you a trip to heaven. To get to heaven, you need to stop trusting your own works and instead trust what Christ did for you on the cross. Salvation is only through your faith in what Christ did to pay for your sins.

For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures; and that he was buried, and that he rose again the third day according to the scriptures: (1Corinthians 15:3,4)

You must settle the matter for all of eternity.
Put your faith in Christ's payment for your
sins and be saved today.

Believe on the Lord Jesus Christ, and
thou shalt be saved. (Acts 16:31).
