## Clothing Ministry Needs

On average, we provide 150 articles of clothing, per month, to our friends living on the street. Many of our donors provide us with business casual clothing and/or children's clothing. When we receive those articles of clothing we donate them out to two different organizations. My Donation House receives all of the children's articles of clothing, bedding and toys. Then when we are working with a family who has children and child related needs, the founder of this organization will pack what we need and then we deliver to that family. Living Word Teaching Center receives all of our business casual, dresses, expensive and white articles of clothing. Then when we are working with a friend in need who needs a nicer outfit for a court hearing, funeral, interview, work, meeting with their caseworker, and so on, the Pastors of this church will pack what we need and then we deliver to that individual.

**Therefore, below are the items we at LLM need and distribute due to our friends living in campsites, under bridges and/or on the sidewalks.**
