

ARISE YE SONS AND DAUGHTERS

Randy Miller and Robert Allen have undertaken a massive project to share information with the Pillsbury Baptist Bible College family concerning what God has done in the lives of students, staff, faculty and administration since Pillsbury days. We are calling the book "Arise Ye Sons and Daughters." If you would be willing to share your story, please fill out the questionnaire. Please fill out a separate questionnaire for each individual and attach a portrait photograph if you desire. Should you prefer to be included as a couple, feel free to fill out only one questionnaire. Send them via email to robertallen@biblestoryfamily.com or RandyLMiller@gmail.com. Or by postal mail to Bob at PO Box 28342, Minneapolis, MN 55428, or to Randy at 200 Pearson Drive, Lynchburg, VA 24502.

This is not intended to be a directory. Personal addresses and emails will not be included in the publication. Our intention is to make available as an ebook, and through "print on demand," a volume which celebrates the mighty hand of God in the lives of those who were touched by the ministry of Pillsbury Baptist Bible College. All profit from the sale of the books will be donated to the Central Seminary Library. Please join us on the journey as we "stand in awe of the work which Thou hast wrought" (Parker/Cedarholm).
