

SOMERSET SWIM AND TENNIS CLUB GUEST AND PARTY POLICIES - 2024

GUEST POLICIES

1. All guests must be accompanied by an adult member (age 18 and older) of the club at all times. Key sharing or providing a key to a person who is not a member is not allowed (see #6 below for recommended actions to take).
2. No more than six (6) guests per member family are allowed. In the event of overcrowding, SSTC board members can, at their discretion, limit guests to below six (6) per member family.
3. Members should bring guests only occasionally to ensure the club facilities are accessible for all club members.
4. Club members are responsible for ensuring that guests abide by the club rules. Guests that are disruptive or display unacceptable behavior will be requested to leave.
5. Entrance/exit gates must remain closed and locked. Members' keys must be used for guest entrance/exit.
6. In the event that a person(s) who is not a club member or a club member's guest is observed on-site, he/she should be asked to leave and a SSTC Board Member should be contacted. If a person(s) on-site is known to be trespassing, call the Boulder County Sheriff dispatch office at 303-441-3600 and a SSTC Board Member.

PARTY POLICIES

1. Parties may be reserved only by adult (age 21+) club members with equity membership status. Annual pass holders can't host parties. Party hosts must be physically present at the party at all times.
2. No parties will be permitted around summer holidays. Memorial Day (Sat/Sun/Mon) and Labor Day (Fri/Sat/Sun/Mon) weekends are blacked out. If July 4th falls on a Monday, then (Fri/Sat/Sun/Mon) is blacked out, otherwise just the 4th is blacked out.
3. There are two kinds of parties, open parties (up to 15 guests) and private parties (16-40 guests). They are so named because private parties require the closure of the pool to non-party guests, while open parties allow it to remain open to non-party guests.
4. Parties are limited to one per day and no more than three hours in length. Private parties must take place from 6pm to 9pm. All guests must leave by 9pm when the club is locked for the night.
5. Only one (1) private party is permitted per year per equity member.
6. Parties require payment of a fee - \$100 for open parties and \$200 for private parties at least 7 days prior to the party. Refundable deposits are also required to ensure clean up - \$100 for open parties and \$300 for private parties.
7. The party host is responsible for ensuring that all guests abide by the club rules. Party guests that are disruptive or display unacceptable behavior will be requested to leave.
8. Entrance/exit gates must remain closed and locked. Members' keys must be used for guest entrance/exit.
9. Any club member may contact a Board Member if he/she has concerns or observations regarding a party.
10. If the party is cancelled in advance of its start time or due to inclement weather, the party fee will be refunded. A Board Member must receive notification of party cancellation. Once a party has started, no portion of the party fee will be refunded if the party ends prior to the scheduled end time.
11. The deposit will be refunded in full upon verification that the party host cleaned-up after the party and that no damage to the club facilities/equipment has occurred. If professional cleaning is required after the party or if facility/equipment damage is observed, the cost(s) will be deducted from the deposit. Any damage repair or replacement in excess of the deposit amount will be billed to the party host.
12. For private parties, the SSTC Board will post signage 7 days prior to the party indicating that the pool will be closed on the date of the party from 6pm to 9pm.
