BENEDICTION

***“Spiral”*- by Haddon**

Woke up tired at 5 am
My worries welled up once again
Wish I gave 'em to you then
Took the time to stop and pray
But I can't hear your voice today
Lord I need you, give me strength

I'm falling down the stairway spiral
Haven't felt safe in a while
But your word's a cornerstone

Pick up the pieces, it's just a season
Job didn't know it, but there was a reason why
Hope was hard to find
Finish the story, it's for His glory
Paul sang in chains, through all of the woe he knew
You gotta see it through
There's a plan for you

Worry wakes me up again
Shirt is stuck to the skin
How I need to hear your voice
I yearn to be the mom she needs
Yet my hands are trembling
As I lift them to you Lord

I'm falling down the stairway spiral
Haven't felt safe in a while
But your word's a cornerstone

Pick up the pieces, it's just a season
Job didn't know it, but there was a reason why
Hope was hard to find
Finish the story, it's for His glory
Paul sang in chains, through all of the woe he knew
You gotta see it through
There's a plan for you

If it's good then it's from You
Tribulation can be used
If it's good then it's from you
You can make the mountains move
