AKC RULES AND REGULATIONS

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules/>.

MEASURING AND HEIGHT CARD INFORMATION

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 24C height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

PLEASE NOTE:

Effective 1/2/18, the 26-inch jump height division is replaced by the 24-Choice jump height division.

HEIGHT DIVISIONS

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers. Regular Dogs may NOT be entered in this height if they are 22 inches and under.
24C"	n/a	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

RINGSIDE - Dogs may arrive any time prior to judging if the dog has a valid temporary or permanent jump height card. Otherwise, they must be available for measuring prior to the start of their class if a VMO or AKC Field Rep is available to measure dogs. All dogs not needed for further judging will be excused.

MIXED HEIGHT ENTRIES

Exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day. Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

FEO (FOR EXHIBITION ONLY) AND FIX AND GO ON

Entering For Exhibition Only (FEO) FEO allows exhibitors to work with their dogs in a trial environment. FEO is offered in all classes as of July 1, 2024. Participation in FEO is non-qualifying and will be marked as ABSENT in the catalog.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height or class for FEO runs. If entered in an ineligible jump height or class, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height or class changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring. Toys must be non-audible and may not leave the handlers hand. Toys that roll freely may not be used.
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

Fix and Go On FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

WAIT LIST

A waiting list will be maintained for these trials once they have closed on September 18, 2026. The waiting list will be active until its deadline - Monday, September 21 at 6:00 pm. Any runs that are entered in these trials at closing and pulled before the waiting list deadline will be replaced, if possible, by runs in order on the waiting list, and the exhibitor will be reimbursed for the number of runs replaced. If a run is pulled, but cannot be replaced, the exhibitor will not receive a refund and the dog will be considered absent from the run. Entry fees for runs on the waiting list that do not get into the trial by the waiting list closing date, will be refunded in full.

NOTICE TO EXHIBITORS

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely. It is expressly understood that the exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the show site. In such case, no refund of any entry fees will be made. All dogs must be on leash at all times except when in the ring or when in the designated agility warm-up area. No dogs may be left tied to trees, cars, fences, etc.

Dogs under 4 months of age are not allowed at this trial. Entry fees will not be refunded in the event that the dog is absent, disqualified, excused, or barred from competition by action of the Event Committee. No entry fee will be refunded if the trial cannot open or be completed by reason of civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. Exhibitors are responsible for being at the ring gate when it is their turn to run. No classes will be held up by a late exhibitor.

This club does not agree to arbitrate claims as set forth on the Official AKC Entry Form for this event.

MOVE UP REQUESTS

Move ups must be sent in writing (e-mail is acceptable and preferred--NO TEXTS OR INSTANT MESSAGES) to the Trial Secretary **no later than Monday, September 21, 2026, by 6:00 PM.** Day to day move ups must be submitted in person to the trial secretary no later than 15 minutes after the last class each day. The trial secretary will be more than grateful if you will do your move-ups as soon as possible.

Injury/Illness – Dogs that cannot compete prior to the set of trials due to an injury/illness will be refunded the entry fee, less \$8.00 per run, upon written certification from a veterinarian. Notification with documentation from veterinarian must be in the hands of the Trial Secretary no later than 30 minutes before the start time on Friday September 25, 2026. Validation of the injury/illness must be made by a licensed veterinarian. Requests from chiropractors, massage/physical therapists, etc will not be accepted. Handler illness/injury is excluded from this policy.

OBSTACLES AND RING CONDITIONS

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. Rubberized contacts will be used. All classes will take place on a professionally groomed dirt. There will be two alternating rings, sized 110'x 125'.

Course WALK-THROUGHS AND Warm-Up INFORMATION

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only.

A warm-up area, consisting of a regulation agility jump, will be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. INSTRUCTIONS

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
