

FCC Welcomes Michele Dickson, FNP

Following undergraduate education at the University of Rochester, Michele earned a Master's Degree in Nursing from the University of Washington Family Nurse Practitioner program, as well as a Master's in Science from the University of Massachusetts/Amherst in Child and Adolescent Health Nursing.

Michele has been in practice since 1993 as a nationally certified family nurse practitioner with a strong interest and focus on women's health across the lifespan. She believes in a holistic approach and working as a partner with her patients. She performs women's annual exams/health screenings and addresses a range of concerns including vaginitis, menstrual problems, menopausal transition, STD screening, and monitoring of breast health. Additionally, she is skilled in contraceptive and hormonal management, IUD insertion, diaphragm fitting, pessary fitting/care, endometrial biopsy, and vulvar biopsy.

Michele enjoys an active outdoor oriented lifestyle that includes extended wilderness travel and was elected as a top nurse in **Portland Monthly's 2015 Top Docs and Nurses** feature. She is now accepting patients at Fanno Creek Clinic.
