Retention of Delivered Files.

Once the JPEG files are delivered to the client, it is the client's sole responsibility to protect and retain their images for the future. It is highly recommended that CD be duplicated and stored in multiple locations that are cool and dry. (Technology can be fickle; one of the best ways to ensure the client's images will last for generations is for the client to print them or on a Canvas.) If client requires old files to be duplicated by the photographer, and they are still within the photographer's possession, a restocking fee will be applied. (\$99.00) Please Initial _____
