## Industrial Heating & Insulation

# WELDING & KNEELING PADS

When it comes to ergonomics in the welding industry, kneeling pads can be essential to industrial workers that put constant strain on their knees. Our pads can be placed in tight, hard to reach spaces to offer maximum comfort while working. Manufactured from high-temperature resistant Kevlar and Thermal Tech & Temp Insulation up to 1200 degrees Fahrenheit. Our pads are offered in a variety of thicknesses and can be custom fabricated to any shape or size for your needed application.

### KEY FEATURES:

- Protects from heat, sparks & welding slag
- Can be placed in tight/hard to reach spaces
- High-temperature resistant
- Protects up to 1200°F
- Offered in a variety of thicknesses
- Custom fabricated to any shape or size
