

# THE JAUNTY UPDATE!

*A regular update for the Jaunty Paws Family*

## HELLO THERE!

*Welcome to the 'Jaunty Update!*

*We would like to keep in touch and tell you about any news, funny stories or special offers.*

*Megan and Jackie often meet in Baddock's Wood where their dogs are beautifully behaved and will even pose for photos!*

## ARLO'S ANTICS

*On a personal note, thank you for all the good wishes and enquiries about Arlo and his progress. We love him to bits, even when he is being super-cheeky! With Shonnag's support, we are working on his training and he is improving every day. However, there is still much to work on so it is going to be a couple more months until he is ready to join in with the Jaunty fun!*

## JAUNTY BOXES

*You may have spotted that we have created some beautifully wrapped, 100% natural treat boxes. The selection of treats are single ingredient, naturally dried protein that supplements your dogs diet and provides enrichment and contentment .*

*The boxes are perfect to treat your own dog, or as a gift for a dog-owning friend or family member. We can even post their box to them directly for you!*

*Take a look at the attached info sheet for more info.*
