1&2&3&4&

Strum Pattern: a modified Latin strum - DUDU UDU

[Intro] [D] [G] [D] [G]

[Verse 1]

[D] Nighttime slows, raindrops splash [G] rainbows

Perhaps some [D] one you know could sparkle and [G] shine

As the [D] daydreams slide to colour from [G] shadow

Picture the [D] moonglow that dazzles my [G] eyes

And [A] I love [G] you

[Chorus 1]

[D] Just lying, smiling in the [G] dark, shooting stars around your [Em] heart

Dreams come bouncing in your [A] head, pure and simple every [D] time

[D] But now you're crying in your [G] sleep, I wish you'd never learn to [Em] weep

Don't sell the dream you should be [A] keeping pure and simple every [D] time

[Verse 2]

[D] Dream of sights, of sleigh rides in [G] seasons

Where [D] feelings, not reasons, can make you de [G] cide

As the [D] rain pours down, splash autumn on [G] gardens

As colder nights [D] harden their moonlit de [G] lights

And [A] I love [G] you

[Chorus 1]

[D] Just lying, smiling in the [G] dark, shooting stars around your [Em] heart

Dreams come bouncing in your [A] head, pure and simple every [D] time

[D] But now you're crying in your [G] sleep, I wish you'd never learn to [Em] weep

Don't sell the dream you should be [A] keeping pure and simple every [D] time

[Chorus 2]

[D] Look at me with starry [G] eyes, Push me up to starry [Em] skies
There's stardust in my [A] head, Pure and simple every [D] time
Fresh and deep as oceans [G] new, Shiver at the sight of [Em] you
I'll sing a softer [A] tune, Pure and simple over [D] you

[Bridge]

If [D] love's the truth then look no lies and [G] let me swim around your eyes
I've [Em] found the place I'll never leave, I'll [A] shut my eyes and just believe
[D] Love is the truth I've realized, [G] not a stream of pretty lies
To [Em] use us up, and [A] waste our time

[Chorus 1]

[D] Just lying, smiling in the [G] dark, shooting stars around your [Em] heart
Dreams come bouncing in your [A] head, pure and simple every [D] time
[D] But now you're crying in your [G] sleep, I wish you'd never learn to [Em] weep
Don't sell the dream you should be [A] keeping pure and simple every [D] time

[Chorus 2]

[D] Look at me with starry [G] eyes, Push me up to starry [Em] skies
There's stardust in my [A] head, Pure and simple every [D] time
Fresh and deep as oceans [G] new, Shiver at the sight of [Em] you
I'll sing a softer [A] tune, Pure and simple over [G] you
[A] Pure and simple just for [D] you
