

Teardrops Will Fall – John Mellencamp

[Intro]

G Em G C D G

[Verse]

[G]I read your letter darling, [Em]tears filled my eyes
[G]All of the promises you made, [Am]were nothing but [D]lies,
So I [G]turned your photograph over, [C]face to the [G]wall
And when I [C]dim the [G]lights in my [C]room to[G]night,
[C]tear [D]drops will [G]fall

[Chorus]

[C]Tear [G]drops will [C]fall to[G]night, [C]tears I can't [G]hide,
[C]Tears that I'd [D]rather keep, [Am]deep down in[D]side,
[C]Tears [G]from a [C]love that's [G]gone, [C]beyond re[G]call
And when I [C]dim the [G]lights in my [C]room to[G]night,
[C]tear [D]drops will [G]fall

[Instrumental]

G Em G C D G

[Verse]

[G]I'm gonna pray tonight baby, [Em]hoping you will hear,
[G]And maybe you'll right all those wrongs, [Am]and dry each [D]tear,
[G]I sit alone tonight, [C]hoping you will [G]call,
And when I [C]dim the [G]lights in my [C]room to[G]night,
[C]tear [D]drops will [G]fall
