

## Found It! Newsletter for May 2019

You've Found It! Our Quarterly (not so Quarterly) Newsletter!! We've tried to chalk it full of awesome information that's about Found It! and YOU!!

### Recap of the past 3 months

When we last touched base, we were headed out to watch to the Stockton Heat for their Autism Awareness Night. Well, guess what, we had a great time there and at our Light the Night with a Saber at the Saberist Academy/Kyber Cave! We held an intro to kayaking and paddle boarding where we discovered that Aaron and Kayla were born naturals! Next up, we saw the opening of "Robyn's Mug Café" where we learned to cook homemade mug recipes in the microwave. The crowd favorite was the mug banana cake with ice cream (don't worry, the ice cream was not microwaved). Now before you get too excited, the Café is open 6-8 times a year and only available to our members. Lisa and Samantha hosted our Wolf Art Night where everyone got to create their own wolf pastel artwork and take it home in a frame. One of our most exciting events was our 1<sup>st</sup> Ever Birthday Open House Luau Bash! Whew, that was a mouth full! We had food, games, fun, and a very special surprise from Andrew, one of our members. Andrew delighted everyone with his talent for playing bagpipes. His rendition of Amazing Grace was nothing short of being just that, *amazing!*

### Looking Forward

We have a date change! While we continue to host our semi-monthly meetings, the days and times have changed. We now meet on the 2<sup>nd</sup> and 4<sup>th</sup> Wednesday of the month. Starting July 10<sup>th</sup> our time will change to 7pm – 8:30pm. We apologize for the changes but in order for us to remain on the Nelson Center, we needed to make adjustments.

Because our "Anti-Bullying" and "Hidden Dangers of Social Media" presentations were so successful, we will continue to expand our programming to include other important topics.

### In closing

Now that we are officially a year old, we truly are not ready to slow down.

We're thinking this Birthday/Open House thing may be something we do annually. Let's do it!
