

## FOUND IT'S NOT-SO-QUARTERLY, QUARTERLY NEWSLETTER

Winter 2021

Well, here we are, 2021! If 2020 taught us anything, it taught us that we can adapt to change. Our members are resilient. 2020 showed us that we had to change the way we live, increase hygiene regimens, wear a strange new contraption on our face, and live a big chunk of our lives online. We have gone from going to work, school, and meeting in person to moving to a virtual world. Many said that it would not be possible with our community and yet, here we are. WE ARE DOING IT! Now that does not mean we have not countered hiccups and difficulties, but we rose above and are plowing through it.

We do not know what 2021 looks like but we are going to continue with our weekly online meetings. For those that feel comfortable enough to come down to the Found It store to help, we welcome you, masked up of course! 😊

But wait, what was that? A Found It store?! Well, yeah, kind of. Our members handpick items from left over estate sales that have been donated to us. Our members then separate the items and put the sellable items on the shelves and make them available to the public on the 2nd and 4th Saturday of each month. This is also a chance to learn different skills like inventory, marketing, and customer service. You should come down, have a cup of coffee or soda with us, and check it out. We think you will be glad you did!

We miss your faces tremendously and cannot wait to be with you all again. Hopefully sooner than later!
