

Closing out 2025

from the Chairman

Jo Alcorn

The Fall SE Section Meeting was held at Embry Riddle campus in Daytona Beach October 10-11. Good to see some new faces and greet old friends. These section meetings are always interesting. There were some excellent presentations by ER personnel. We now look forward to the Spring SE Section Meeting in Sarasota. For those who have not enjoyed one of these events, please consider going. The Sarasota Ladybugs have a great plan for the weekend of May 1-3. Plan to attend! Details are coming soon for reservations.
