## *It's Summer - A Time to Reflect*

We are on summer break! The next meeting will be October 5 at Avon Park Airport. 10 am.....come join!

We are reaching out to all chapter members to take stock of our efforts. Why did you join? Are your interests and goals being well served? Was it to be involved in the next generation of girls and women becoming aviators? Was it to meet other women who have or are flying? Or something else?

Please let us know. Call a chapter officer or send a message to [flheartland99s@gmail.com](mailto:flheartland99s@gmail.com). Their contact information is on the [Ninety-nines.com](http://Ninety-nines.com) website members directory.

## *Fundraising for our chapter scholarship*

The Florida Heartland chapter is proud of its tradition to offer an annual flight training scholarship. The funds used for this scholarship come from various fundraising events throughout the year. We have 3 underway:

1. Sale of chapter, 99s, EAA, and aviation merchandise
2. The raffling of original quilts of aviation design by Vikki Greenleaf
3. Participation in the SE Section Fundraiser (details attached)

No matter what level of movement you are today or how you get your activity we are asking all pilots and their families, friends, and coworkers to get up and move.

If you're an experienced runner, walker, swimmer, bike rider, mover, shaker, dancer or just starting out a movement program, this is the perfect opportunity to improve health, become more fit, meet new people, and have fun!

The Southeast Section of the 99s has over 30 chapters and over 1000 members. What a great opportunity to get together!

- friends/family/coworkers/neighbors and pretend to fly while the wind rushes by (tip: children are excellent role models for this activity).

Be creative, inspire movement and join us as we hold this special fundraising event to support more women in their pathway to flight.
