

from the Chairman

It's Spring!

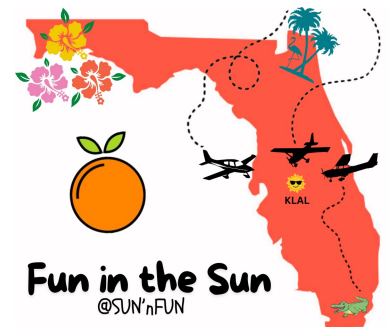

Time to enjoy warming temperatures, good flying weather, and the approach of Sun 'n Fun.

We are remembering our great Girls in Aviation Day at Sebring Airport where young girls learned about aviation and dreamed of what they may do in their futures. On March 1, we celebrated with Katalin Watkins, our winner of the chapter 2024 flight training scholarship, and wish her success in her aviation career. And now to look forward to our hosting the 2025 Southeast Section meeting in Lakeland on May 16 and 17.

Southeast Section Meeting - KLAL May 16-18, 2025

FL Heartland chapter is hosting the Spring 2025 Section meeting at KLAL. We need everyone to come! FL Heartland wants to give a "hearty" welcome to our SE Section sisters.

SE Section meetings are fun. A great time to connect with old friends, make new ones, and enjoy an opportunity to learn.
