*We absolutely love this brand, you will find products made with high quality beautiful, soft and durable fabrics. Most class levels have several options to choose from; however, you only need one set of shoes, tights, ballet dress/ leotard/ shirt. As this is European sizing, simply refer to the size charts, they are super easy to follow.

Shoes & Tights: When making your selections, remember to match the color of your shoes and tights (for example: pink tights with pink shoes or walnut tights with walnut shoes). Many options offer multiple colors to match the dancers skin tone.
