## BUILD A CAREER IN AVIATION

---

### ENROLL IN OUR AIRCRAFT DISPATCH CERTIFICATION COURSE

Our 200-hour FAA approved Aircraft Dispatch Certification training is designed to enhance the capabilities of your flight operation or to help further your aviation career. Upon course completion, participants are fully prepared for the FAA Aircraft Dispatch Certification exam.

To accommodate varying schedules, training is available 6 weeks full-time or 12 weeks part-time.

We are approved to deliver the curriculum via ZOOM to support distance learning.

**Course Tuition \$5,085.00**

#### What is an Aircraft Dispatcher?

FAA certificated Aircraft Dispatchers are employed by major airlines to exercise operational control for all scheduled flights. Operational control is the authority to initiate, conduct, and cancel a flight. The assigned dispatcher on duty will work with many different departments personnel in an airline to manage a flight's safe, on-time departure and arrival.

Gain a competitive edge in corporate aviation.

Long Island MacArthur Aiport, 2221 Smithtown Ave, Ronkonkoma, NY 11779
