## EXPERIENCE

### **University of Memphis, Photography Program** — *Social Media Manager*

August 2025 - Present

I created and now run the UofM Photography Program Instagram account. The scope includes:

- Designing graphics; making posts on social media; conducting interviews of students, professors, and alumni; organizing and maintaining the student photo display board in the Meeman Journalism Building.

### **Freelance Photographer**

May 2023 - Present

### **University of Memphis** — *Photo Print Lab Monitor*

January 2024 - May 2024

### **Holland Studio of Photography, Germantown** — *Proofer*

May 2019 - August 2019

Holland Studio is a photography studio that specializes in school photos and headshots. My responsibilities as a proofer included:

- Uploading photo files onto a computer hard drive; labeling and organizing photo files; creating picture disks; making books of photo proofs; miscellaneous tasks.
