

# DEAR SCROLL SAWYERS!

*I am a Graphic Designer and Independent Author.*

*I create patterns for the scroll saw, publish,  
and promote my books myself.*

*I am pleased to present to you*

*the latest novelty of February 2024:*

The image shows the cover of the book "Scroll Saw Patterns Sports" on the left. The cover features a scroll saw pattern of a person in a dynamic pose, with text indicating "+180 PATTERNS" and "+50 DIFFERENT SPORTS". Below the cover, it says "Scroll saw patterns Beginner to advanced scroll saw users". To the right of the book is a blue graphic with the text "Various themes", "+180 PATTERNS", "+50 DIFFERENT SPORTS", and "Access to the PDFs". On the far right is a QR code with the text "Scan it to discover" below it. Arrows point from the book cover to the QR code.
