

Hello, I am a graphic designer and I am proud to present my patterns for your scroll saw cutting projects.

Through this platform, I offer you a vast collection of books and downloadable files, carefully designed.

Whether you are an experienced craftsman or a passionate scroll saw enthusiast, my site offers options for all skill levels.

The available patterns cover a wide range of themes, from animals and nature to geometric patterns, Christmas motifs, and elegant designs.

I combine my expertise in graphic design with my passion for wood to create unique patterns that captivate the eye and stimulate creativity. Each file is optimized for easy use, allowing you to explore your artistic talent without any limitations.

Browse my website and discover the richness of my scroll saw patterns. Whether you are looking to make unique gifts, decorate your interior, or create original art pieces.

DEAR SCROLL SAWYERS!

I am a Graphic Designer and Independent Author.

*I create patterns for the scroll saw, publish,
and promote my books myself.*

I am pleased to present to you

the latest novelty of February 2024:

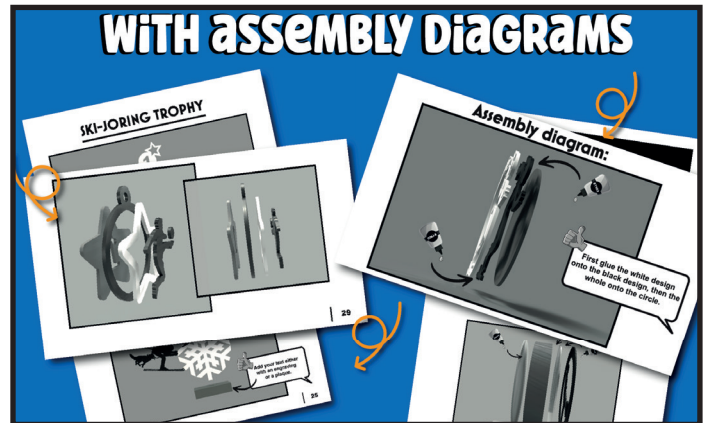

The image shows a book cover for "Scroll Saw Patterns Sports" on the left. The cover features a scroll saw pattern of a person in a dynamic pose. Text on the cover includes "+180 PATTERNS", "+50 DIFFERENT SPORTS", and "Scroll saw patterns Beginner to advanced scroll saw users". To the right of the book is a blue promotional graphic with the text "Various themes", "+180 PATTERNS", "+50 DIFFERENT SPORTS", and "Access to the PDFs". An orange arrow points from the book to the QR code. The QR code is on a black background with the text "Scan it to discover" below it.

The image shows a book cover for "Treat your loved ones!". The cover is blue and features a cartoon character holding a scroll saw pattern. A list of items is shown on the right: Medals, Medal stands, Trophies, Wall frames, Piggy banks, Figurines with lettering, Trivets, Decorative door plaques, Sports scenes, Puzzles, Phone stands, and Mascots. The word "JUDO" is written in large letters on the right side.

The image shows a book cover for "WITH ASSEMBLY DIAGRAMS". The cover is blue and features several assembly diagrams for scroll saw projects. One diagram is titled "SKI-JORING TROPHY" and another is titled "Assembly diagram:". A speech bubble says "First glue the white design onto the black design then the whole onto the circle." Another speech bubble says "Keep your feet other side of the line at all times!"
