AS PROMISED! HERE IS A FREE PLAN FOR A SCROLL SAW EAGLE:

This will allow you to create a magnificent, majestic wooden eagle, which will be the centerpiece of your collection of wooden creations.

The majestic eagle is a popular subject for wooden creations, with its spread wings and piercing gaze.

This model can be customized according to your preferences in terms of colors and finishes. You can also adapt it to your liking depending on the size of your project.

Let your creativity soar with this majestic and imposing creation!
