

Logline

A Japanese man enlists in the United States Army Air Forces during the height of World War II.

Overview

Go For Broke takes place during the height of World War II, where Steve Kuroki joins the United States Army Air Forces. Despite having a Japanese background, Kuroki continues to overcome adversity in his journey to prove his loyalty at home and in combat.

Synopsis

Go For Broke, is a story about Steve Kuroki, a first generation Japanese-American who dreams of becoming a pilot. However, after the attack on Pearl Harbor, President Roosevelt declares war with the Japanese empire. Steve joins the United States Army Air Forces despite the rising tension between the American and Japanese society. He believes that while the war was justified, every person has the right to serve. Kuroki refuses to change and compromise his beliefs, and continues to overcome adversity through the long journey to prove his loyalty at home and in combat.
