**APPLICATION FOR ALLOWANCE AND

THE RECEIVER AND HIS

FROM JULY 1, 2023, THROUGH  
SEPTEMBER 30, 2023**

**[Hearing requested]**

21  
22  
23 Geoff Winkler of American Fiduciary Services, LLC, the permanent receiver (the  
24 "Receiver") over Profit Connect Wealth Services, Inc., and any subsidiaries and affiliates  
25 (together, "Profit Connect") pursuant to an order entered on August 6, 2021 (the "Receiver Order"),  
26 submits this application for allowance and payment of his fees and costs and the fees and costs of  
27 the professionals he employed to assist him in fulfilling his duties under the Receiver Order. The  
28 period of time covered by this Application is from July 1, 2023, through September 30, 2023 (the

1 "Application Period"). The Receiver is informed that the Securities & Exchange Commission  
2 ("SEC") has no objection to the relief sought in this Application.

3 **MEMORANDUM OF POINTS AND AUTHORITIES**

4 Because the Receiver is not a licensed attorney, does not have in-house counsel, and is not  
5 a computer expert, he employed professionals to assist him in fulfilling his duties as the Receiver.  
6 Specifically, pursuant to Section X.G. of the Receiver Order, he retained Smiley Wang-Ekvall,  
7 LLP, and Ballard Spahr, LLP, as counsel and Stroz Friedberg as his computer forensic experts.  
8 The Court approved their employment by order entered on September 21, 2021. In 2022, Maria  
9 Gall resigned from Ballard Spahr after her appointment to the bench, so the Court approved the  
10 Receiver's retention of Greenberg Traurig as Nevada counsel.

11 Pursuant to this Application, the Receiver and his professionals seek approval of the  
12 following fees and costs:

- 13 (1) \$127,013.50 in fees and \$1,196.37 in costs for the Receiver;
- 14 (2) \$8,214.08 in fees for Greenberg Traurig;
- 15 (3) \$7,823.03 in fees and \$104.20 in costs for Smiley Wang-Ekvall, LLP;
- 16 (4) \$6,795.50 in fees and \$27.66 in costs for Baker Tilly, LLP; and
- 17 (5) \$136.50 in fees and \$24,304.30 for licensing and hosting costs for Technology

18 Concepts & Design, Inc., which was formerly part of Stroz Friedberg.

19 The Receiver seeks authority to pay 80% of the fees on an interim basis and 100% of the costs.

20 This Application is based on the below written argument, the declarations of Geoff  
21 Winkler, Kara Hendricks, Esq., Kyra E. Andrassy, Esq., Stacy Chiang, and Ericka Browne, all  
22 papers on file, and any argument the Court may call and consider.

23  
24 **I. RELEVANT BACKGROUND AND PROCEDURAL HISTORY**

25 The SEC initiated this action against Profit Connect, Joy Kovar, and Brent Kovar on July  
26 8, 2021, by the sealed, ex parte filing of a complaint and motion for temporary restraining order  
27 seeking, among other things, the freezing of defendants' assets and the appointment of a receiver  
28 over Profit Connect. The Court granted the ex parte temporary restraining order, in part, by

1 allowing the asset freeze to proceed but set the motion for a hearing in order to provide defendants  
2 an opportunity to be heard on the temporary receivership request.

3 On July 23, 2021, defendants stipulated to modify the temporary restraining order to  
4 appoint the Temporary Receiver. By order entered on August 6, 2021, the Court approved a  
5 stipulation of the parties appointing the Receiver as the permanent receiver.

6 During this Application Period, the Receiver's focus has been on identifying potential  
7 claims held by the receivership estate that can be pursued in order to generate additional recoveries  
8 and on putting together the proposed claims procedure that is being presented to the Court for  
9 approval.

10 As of September 30, 2023, the Receiver is holding \$8,956,569.05 in cash. The fees  
11 incurred in during the Application Period are expected to result in the generation of additional  
12 recoveries for the estate in excess of the fees incurred. As was set forth in the motion to approve  
13 the employment of the professionals and because receivership work is a form of public service,  
14 each of the professionals has agreed to discount their typical hourly rate by 15%, and this discount  
15 is reflected in the fees being sought in this Application.

16  
17 **II. LEGAL AUTHORITY**

18 “The power of a district court to impose a receivership ... derives from the inherent power  
19 of a court of equity to fashion effective relief.”<sup>1</sup> “The primary purpose of equity receiverships is  
20 to promote orderly and efficient administration of the Receivership Estate by the district court for  
21 the benefit of creditors.”<sup>2</sup> “[T]he practice in administering an estate by a receiver ... must accord  
22 with the historical practice in federal courts or with a local rule.”<sup>3</sup>

23 As the Ninth Circuit explained:

24 A district court’s power to supervise an equity receivership and to  
25 determine the appropriate action to be taken in the administration of

26 <sup>1</sup> *SEC v. Wencke*, 622 F.2d 1363, 1369 (9th Cir. 1980).

27 <sup>2</sup> *SEC v. Hardy*, 803 F.2d 1034, 1038 (9th Cir. 1986.)

28 <sup>3</sup> Fed. R. Civ. P. 66.

1 the receivership is extremely broad. The district court has broad  
 2 powers and wide discretion to determine the appropriate relief in an  
 3 equity receivership. The basis for this broad deference to the district  
 court's supervisory role in equity receiverships arises out of the fact  
 that most receiverships involve multiple parties and complex  
 transactions.<sup>4</sup>

4 Decisions regarding the timing and amount of an award of fees and expenses to the  
 5 Receiver and his or her professionals are committed to the sound discretion of the Court.<sup>5</sup> In  
 6 determining the reasonableness of fees and expenses requested in this context, the Court should  
 7 consider the time records presented, the quality of the work performed, the complexity of the  
 8 problems faced, and the benefit of the services rendered to the Estate, along with the Commission's  
 9 position on the request, which is entitled to "great weight."<sup>6</sup>

### 10 III. THE FEES AND COSTS BEING REQUESTED

11 As set forth in prior applications, in evaluating the fees and costs of the Receiver and his  
 12 professionals, the fact that Profit Connect had no books and records, including books of account,  
 13 or any functioning accounting department must be taken into account. The absence of these  
 14 records means that the Receiver and his team were forced to get the documents from third parties  
 15 that they need to determine what happened with funds put in by investors. This has required the  
 16 issuance of subpoenas to third parties, including financial institutions, and often ensuing  
 17 discussions with the subpoenaed parties about the scope or timing of the requested production. It  
 18 also means that the Receiver has had to recreate accounting records by reconstructing the entity's  
 19 financials using financial statements and offsetting financial records. This process is now complete  
 20 and the Receiver has turned his focus towards the claims process and to identifying potential claims  
 21 held by the receivership estate against third parties.

22  
 23  
 24 <sup>4</sup> *SEC v. Capital Consultants, LLC*, 397 F.3d 733, 738 (9th Cir. 2005) (citations omitted); *see also*  
 25 *CFTC v. Topworth Int'l, Ltd.*, 205 F.3d 1107, 1115 (9th Cir. 1999) ("This court affords 'broad  
 26 deference' to the court's supervisory role, and 'we generally uphold reasonable procedures  
 instituted by the district court that serve th[e] purpose of orderly and efficient administration of  
 the receivership for the benefit of creditors.'").

27 <sup>5</sup> *See SEC v. Elliot*, 953 F.2d 1560, 1577 (11th Cir. 1992) (rev'd in part on other grounds, 998 F.2d

1 The foregoing highlights some of the actions the Receiver and his legal professionals have  
2 been constrained to undertake early in this case and which drives their fees. That said, the  
3 Receiver’s prompt action in reconstructing Profit Connect's financial records assisted in his  
4 preservation and marshalling of Profit Connect property, including over \$9 million dollars in cash  
5 and equivalents and a recovery of more than \$9 million in personal property assets.

6 Below is a description of the services provided by each of the professionals during the  
7 Application Period. All of the fees and expenses incurred during the Application Period will  
8 benefit the receivership estate moving forward.

9 **a. The Receiver**

10 [Fees of \$127,013.50 and costs of \$1,196.37]

11 Pursuant to paragraph X of the Receiver Order, the Receiver was empowered and tasked  
12 with a broad range of authority, including the authority to take possession and control of all assets,  
13 to assume full control of Profit Connect, to have control of and be added as the sole authorized  
14 signatory for all accounts, to conduct an investigation and discovery necessary to locate and  
15 account for assets, to assess the viability and profitability of Profit Connect, to take action  
16 necessary to preserve and prevent the disposition, concealment, or dissipation of assets, to employ  
17 professionals, to make an accounting, to make payments and disbursements, to investigate and  
18 prosecute claims, to engage in litigation to preserve or recover assets or to carry out the Receiver's  
19 mandate, and to have access to all mail and electronic mail.

20 Pursuant to the Receiver Order, the Receiver and his team performed the following duties  
21 during the Application Period:

- 22 • The Receiver recorded 482 claims filed between June 13th and September 11<sup>th</sup> and two  
23 tardy claims were recorded after September 11, 2023 claims bar date;
- 24 • Reviewed and audited 406 investor and credit claims;
- 25 • Closed the sale of real property located at Parcel Number 243-34-101-002, Searchlight,  
26 Nevada;
- 27 • Accepted an offer on real property located at Parcel Numbers 243-27-701-004 and 243-27-  
28 701-005, Searchlight, Nevada, expected to close in the fourth quarter of 2023;

- 1 • Continued review and analysis of documents and materials retrieved for third party
- 2 recovery evaluation;
- 3 • Continued to review documents and interview parties to determine potential litigation
- 4 against third parties;
- 5 • Continued efforts on third party recovery with former employees who received funds or
- 6 gifts from Profit Connect in excess of their W-2 wages;
- 7 • Continued efforts on third party recovery with agents who received bonuses or
- 8 commissions for bringing investors into Profit Connect;
- 9 • Continued efforts with Texas litigation counsel to pursue actions against certain agents of
- 10 Profit Connect; and
- 11 • Continued efforts in an ancillary proceeding relating to William Roshak and efforts to
- 12 recover investor funds.

13 The Receiver's fees for the Application Period are as follows:

25 Due to its broad range of experience and expertise, AFS performs almost all required work  
26 in-house, saving both time and money, including tasks involving corporate accounting, forensic  
27 accounting, case administration, claims administration, asset valuation, investor communication  
28 and internet technology. AFS's billing philosophy is to leverage work down to the staff member

1 with the lowest bill rate that also has the skills and experience necessary to complete the task. This  
 2 allows AFS to minimize the cost to complete all work associated with the case, ensuring a  
 3 maximum return to stakeholders involved in the matter while also preserving the quality of our  
 4 work product. AFS does not bill for travel time in regulatory cases.

5 AFS's rates include a 15 percent discount off its already discounted hourly rates for  
 6 government matters and will not increase for the pendency of the case. Both the standard regulatory  
 7 rate and the discounted regulatory rate reflect a significant discount off our standard consulting  
 8 rates.

9 All billing standards meet or exceed the SEC's Billing Instructions for Receivers in Civil

 11 Trustee's Guidelines for Reviewing Applications for Compensation and Reimbursement of  
 12 Expenses.

13 This Application reflects the Receiver's anticipated drop in the number of hours required  
 14 to manage this case with the forensic accounting now complete.

15 The Receiver's expenses for the Application Period are as follows:

<i>Category</i>	<i>Total Cost</i>

7 included with the Declaration of Geoff Winkler attached as **Exhibit 1**.

8 **b. Greenberg Traurig**

9 [Fees of \$8,214.08]

10 During the Application Period, Greenberg Traurig (“GT”) assisted with: (1) monitoring  
11 matters involving the Roshak settlement compliance; (2) preparing a stipulation to permit the sale  
12 of additional Searchlight parcels; (3) analyzing issues relating to third party claims and ancillary  
13 proceedings and researching counsel to pursue potential legal malpractice claims; and (4) assisting  
14 the Receiver’s team with reporting obligations. GT and Smiley Wang-Ekvall continue to  
15 coordinate their efforts to avoid any duplication of services.

16 GT has discounted its standard fees by 15%, and for Quarter 3 of 2023, seeks \$8,214.08 in  
17 discounted fees.

18 GT’s invoices are included with the Declaration of Kara Hendricks attached as **Exhibit 2**.

19 **c. Smiley Wang-Ekvall**

20 [Fees of \$7,823.03 and costs of \$104.20]

21 During the Application Period, Smiley Wang-Ekvall performed a number of different  
22 services from Greenberg Traurig that benefited the estate, including: (1) preparing a promissory  
23 note to document agreements with sales people and former employees regarding their return of  
24 certain payments to the Receivership Estate; (2) meeting with the Receiver’s team to address and  
25 resolve questions regarding their review of claims; and (3) communicating and negotiating with

6 **e. Technology Concepts & Design, Inc.**

7 [Fees of \$136.50 and Licensing and Hosting Costs of \$24,304.30]

8 As a result of an acquisition of assets from Stroz Friedberg and other affiliates of Aon PLC,  
9 Technology Concepts & Design, Inc. ("TCDI") now provides eDiscovery services to the Receiver.  
10 During the Application Period and because of the size of the data being hosted, TCDI charged  
11 hosting fees of \$24,219.30 and license fees of \$85.00. It assisted with the management of the  
12 account and incurred fees of \$136.50 in connection with those services.

14 **f. Baker Tilly**

15 [Fees of \$6,795.50 and expenses of \$27.66]

16 7. For the professionals who record their time using written time sheets, the  
17 information contained in the time sheets is transcribed into the firm’s computer billing system.

18 8. The firm’s computer billing system keeps a record of all time spent on a  
19 client/matter, the professional providing the services, and a description of the services rendered.  
20 The firm’s computer billing system automatically multiplies the time expended by each  
21 professional by the respective professional's billing rate to calculate the amount of the fee. The  
22 firm conducts its business in reliance on the accuracy of such business records.

18 10. Due to its broad range of experience and expertise, AFS performs almost all  
19 required work in-house, saving both time and money, including tasks involving corporate  
20 accounting, forensic accounting, case administration, claims administration, asset valuation,  
21 investor communication and internet technology.

22 11. AFS's billing philosophy is to leverage work down to the staff member with the  
23 lowest bill rate that also has the skills and experience necessary to complete the task. This  
24 allows AFS to minimize the cost to complete all work associated with the case, ensuring a  
25 maximum return to stakeholders involved in the matter while also preserving the quality of our  
26 work product. AFS does not bill for travel time in regulatory cases.

27 12. AFS's rates include a 15 percent discount off its already discounted hourly rates  
28 for government matters and will not increase for the pendency of the case. Both the standard

1 regulatory rate and the discounted regulatory rate reflect a significant discount off our standard  
2 consulting rates.

3 13. All billing standards meet or exceed the Billing Instructions for Receivers in Civil  
4 Actions Commenced by the U.S. Securities and Exchange Commission (SFAR) and the U.S.  
5 Trustee’s Guidelines for Reviewing Applications for Compensation and Reimbursement of  
6 Expenses.

7 14. AFS will not seek reimbursement for routine copying, facsimile, postage, or other  
8 expenses. Any expenses that we seek to have reimbursed will be done in accordance with the  
9 SEC and U.S. Trustee guidelines referenced above. Costs directly attributable to the  
10 administration of the receivership estate will be paid directly by the estate in accordance with the  
11 order of appointment.

12 15. As of September 30, 2023, I was holding approximately \$8,956,569.05 in cash  
13 belonging to Profit Connect.

14 I declare under penalty of perjury that the foregoing is true and correct.

15 Executed on November 14, 2023.

27 ///  
28 ///

1 I, KARA B. HENDRICKS, hereby declare as follows:

2 1. I am a duly licensed attorney, authorized to practice law in the state of Nevada. I  
3 am a shareholder with the law firm of Greenberg Traurig, LLP, ("GT") and counsel for Geoff  
4 Winkler, the Court-appointed Receiver (the "Receiver") in the above captioned matter.

5 2. I make this declaration in support of the Receiver's Ninth Quarterly Application for  
6 Allowance and Payment of Fees and Costs of the Receiver and His Professionals for the Period  
7 from July 1, 2023 Through September 30, 2023 ("Ninth Application"), in connection with Profit  
8 Connect Wealth Services, Inc. This declaration is based on my personal knowledge, except where  
9 made on information and belief, and as to those matters, I believe them to be true.

10 3. GT was retained by the Receiver in June 2022. The Receiver selected Greenberg  
11 Traurig as one of two firms serving as general receivership counsel due to the firm's litigation  
12 experience, receivership experience, and strong Nevada base.

13 4. Attached to this declaration is a true and correct copy of the invoices for the services  
14 of my firm for the period from July 1, 2023, through September 30, 2023 (the "Application  
15 Period").

16 5. In the ordinary course of Greenberg Traurig's business, we keep a record of all time  
17 expended by our professionals in the rendering of professional services on a computerized billing  
18 system.

19 6. At or near the time the professional services are rendered, professionals of the firm  
20 record (a) the description of the nature of the services performed, (b) the duration of the time  
21 expended, and (c) the client/matter name or number by either: (1) writing such information on a  
22 time sheet, or (2) inputting such information directly into the firm's computer billing system.

23 7. For the professionals who record their time using written time sheets, the  
24 information contained in the time sheets is transcribed into the firm's computer billing system.

25 ///

26 ///

27 ///

28 ///

1           8.       The firm’s computer billing system keeps a record of all time spent on a  
2 client/matter, the professional providing the services, and a description of the services rendered.  
3 The firm’s computer billing system automatically multiplies the time expended by each  
4 professional by the respective professional's billing rate to calculate the amount of the fee. The  
5 firm conducts its business in reliance on the accuracy of such business records

6           9.       As reflected in the attached invoice, and pursuant to the Receivership Order (ECF  
7 No. 26) and the Order Authorizing Employment of Counsel (ECF No. 46), professionals at  
8 Greenberg Traurig assisted the Receiver as follows during the Application Period: (1) tracking  
9 subpoenaed documents; (2) monitoring matters involving Roshak settlement compliance;  
10 (3) analyzing issues relating to third party claims and ancillary proceedings; (4) commencing  
11 efforts to have liens released; and (5) assisting the Receiver’s teams with reporting obligations.  
12 Greenberg Traurig and Smiley Wang-Ekval have coordinated their efforts to avoid any duplication  
13 of services.

14           10.      GT endeavored to staff each task efficiently, using a core team of attorneys and  
15 utilizing associates and paralegal assistance where appropriate. Additionally, Greenberg Traurig  
16 agreed to discount its standard billing rates for this matter by 15%.

17           11.      I hereby certify that I have read the Ninth Quarterly Application for Allowance and  
18 Payment of Fees and Costs of the Receiver and His Professionals for the Period from July 1, 2023  
19 through September 30, 2023 to which this declaration will be attached.

20           12.      To the best of my knowledge, information and belief formed after reasonable  
21 inquiry, the Ninth Application and all fees and expenses therein are true and accurate and comply  
22 with the Billing Instructions for Receivers in Civil Actions commenced by the U.S. Securities and  
23 Exchange Commission.

24           13.      In seeking reimbursement for a service which GT justifiably purchased or contracted  
25 for from a third party (such as copying, imaging, bulk mail, messenger service, overnight courier,  
26 computerized research, or title and lien searches), GT requests reimbursement only for the amount  
27 billed to GT by the third-party vendor and paid by GT to such vendor. If such services are performed

28    ///

1 by the Receiver or the Receiver's retained personnel, the Receiver or the retained personnel, as  
2 appropriate, will certify that it is not making a profit on such reimbursable service.

3 I declare under penalty of perjury under the laws of the State of Nevada that the foregoing is  
4 true and correct.

5 Executed on this 14th day of November 2023.

1 Connect Wealth Services, Inc. This declaration is based on my personal knowledge, except where  
2 made on information and belief, and as to those matters, I believe them to be true.

3 2. Attached to this declaration is a true and correct copy of the invoices for the  
4 services of my firm for the period from July 1, 2023, through September 30, 2023 (the  
5 “Application Period”). TCDI acquired Stroz Friedberg's electronic discovery business prior to  
6 the Application Period, and will continue to provide those services pursuant to the contract  
7 previously signed by the Receiver with Stroz Friedberg as it pertains to electronic discovery.

8 3. In the ordinary course of TCDI's business, we keep a record of all time expended  
9 by our professionals in the rendering of professional services on a computerized billing system.

10 4. At or near the time the professional services are rendered, professionals of the  
11 firm record (a) the description of the nature of the services performed, (b) the duration of the  
12 time expended, and (c) the client/matter name or number by either: (1) writing such information  
13 on a time sheet, or (2) inputting such information directly into the firm's computer billing system.

14 5. For the professionals who record their time using written time sheets, the  
15 information contained in the time sheets is transcribed into the firm's computer billing system.

16 6. The firm's computer billing system keeps a record of all time spent on a  
17 client/matter, the professional providing the services, and a description of the services rendered.  
18 The firm's computer billing system automatically multiplies the time expended by each  
19 professional by the respective professional's billing rate to calculate the amount of the fee. The  
20 firm conducts its business in reliance on the accuracy of such business records.

21 7. As reflected in the attached invoice, and pursuant to the Receivership Order (ECF  
22 No. 26) and the Order Authorizing Employment of Computer Forensic Experts (ECF No. 46),  
23 professionals at TCDI assisted the Receiver during the Application Period with management of  
24 the electronic discovery database.

25 8. Electronic Discovery Project managers are billed at \$195 per hour and engineers  
26 are billed at \$400 per hour.

27 I declare under penalty of perjury that the foregoing is true and correct.
