- Gua Sha Anti Aging Facial Massage 60
Therapeutic non invasive facial massage utilizing a small Bianshi stone on the face, neck and shoulders stimulating collagen, helping to regain elasticity, detoxify the skin and smooth fine lines and wrinkles. This specialized massage can also reduce puffiness, and plump the skin giving it a radiant and youthful glow. This treatment will leave you with an overall sense of well being and total relaxation.

- Pro Power Peel 60
Dermalogica's strongest and fastest peel yet, the Pro Power Peel collection features a full suite of peel products, including Alpha Hydroxy Acids (AHAs), Beta Hydroxy Acids (BHAs) and Trichloroacetic Acid (TCA). Each of these has a different molecular size and penetrates the skin to different degrees, allowing skin care professionals to create tailored treatments that effectively address a vast range of skin concerns — from early signs of aging to uneven skin tone and breakouts.
