

WOMEN IN MINISTRY

globalmethodist.org

The Global Methodist Church celebrates and praises God for the gifts women bring to all levels of the church. There are no barriers to where they can serve in the church. Women are joyfully received as members in local churches where they serve as trustees, lay leaders, Sunday school teachers, and many other critical roles. Women are also joyfully ordained as elders and deacons, and consecrated as bishops.

The Global Methodist Church believes Scripture and Christian tradition bear witness to the importance of women and men sharing the responsibility and joy of serving the church as its leaders.

GLOBAL DIVERSITY

ALL GOD'S PEOPLE

By virtue of its very name the Global Methodist Church is a diverse church where all God's people – whatever their color, culture, ethnicity, or nationality – are warmly welcomed to make disciples of Jesus Christ who worship passionately, love extravagantly, and witness boldly. It is a body that recognizes and deploys the gifts and contributions of each part of the church, working as partners in the Gospel with equal voice and leadership.

The Global Methodist Church's witness to the world is marked by mutual love, concern, sharing, and a focus on those who are most vulnerable. Its members watch over one another in love and bear witness to the transforming power of the Gospel as we humbly, but boldly, strive to serve others as ambassadors of Christ!
