

2025-

He Han - 1955 - 2025 -
you are still as
beautiful as
you were when
we met in 1995!
I'm a better man

You make all the difference

in my life,

and I couldn't have married

a more wonderful woman

than you.

because of you —

lifted by your enthusiasm,

strengthened by your support,

and constantly renewed

by your love.

I miss your smiling
face & unconditional love
here. LUP

Happy Birthday
I Love You
