

AFTER
WE MOVED
TO THE RANCH
in 2006

I watched as you lay resting
so tired from your long day
resting quietly, securely
on this unusual chilly day of MAY.

I chuckled as I watched you
drift in & out of sleep
Fighting with the SANDMAN
that your slumber will be deep.

I wondered why you answered yes
to my proposal to marry me
God knows you are an angel
as I can clearly see.

As you lied there quietly, & still
I asked God why
He had given ~~me~~ one so beautiful
to a hard headed guy!

LOVE YOU
Pete

Pete,
Thank you for the poem. The
words are very sweet and
you're not that hard headed.
I love you very much!
I will call you later about
the pig Roast,
Karen
