

A man who gets me,
(which isn't always easy!)
and brings out
the best in me
better than anyone.

A man who lightens my moods,
and makes my days easier
and my life sweeter
in every way possible...

You are a good man,
an amazing husband,
and I love you
with all my heart.

HAPPY ANNIVERSARY

Peter,
I love you more than ever
and I hope things get better for
you at work. Just remember
we will get through this together
Love you, Karen
