

Altham,

I miss you very much! Wish
you were here. I hope you enjoy
the Brownies they were made
with my sewing hands.

The Brownies on top have Walnuts,
the Brownies on the bottom are
Plain. I will send the Book
you requested as soon as I find
it. I won't send it you wanted
your new debit card so you will
need to let me know. Love & kisses.
Love you, Karen
