

Thank you all for sharing your love of Karen.

Karen served our country for nearly 40 years as a Department of the Navy Civilian. Karen, with only a high school education, achieved a grade of GS 14, an almost impossible achievement for a high school graduate.

Karen, being a humble person, would not want all her achievements listed. Karen, due to her excellent work ethic, was accepted into the American Society of Military Comptrollers.

Karen's family, Dr. Campbell, Chris Campbell, Melissa Campbell and of course, Peter, are left with wonderful memories and broken hearts.

Her Father and Mother, Cliff and Jean Bittorf, her sisters, Gloria and Susan, her brother-in-law and Tommy Campbell and friends preceded Karen in death but greeted Karen in heaven.

As a military wife and horse owner, Karen never complained of the workload of a wife or ranch/horse owner. Often times Karen was tired, but always made certain the house, the ranch and the horses were attended to before herself. This was her selfless nature.

Karen was baptized on June 5th 2023 and that began Karen's journey to heaven, where Karen now enjoys a perfect life.

Karen would want you all to join her in heaven to be with her for eternity. As best as we can as mortals, let us use Karen's examples, her good nature and unconditional love, as our road map for life.

We all miss Karen and only the confirmation and belief in Jesus Christ now assures us Karen has a healed body and is enjoying a reunion with family and friends.

## KAREN E. DVORSCAK
