

Scars in Heaven Casting Crowns

If I had only known the last time
Would be the last time
I would have put off all the things I had
to do
I would have stayed a little longer
Held on a little tighter
Now what I'd give for one more day
with you

'Cause there's a wound here in my heart
Where something's missing
And they tell me that it's gonna heal
with time
But I know you're in a place
Where all your wounds have been
erased
And knowing yours are healed is
healing mine

The only scars in Heaven
They won't belong to me and you
There'll be no such thing as broken
And all the old will be made new
And the thought that makes me smile
now
Even as the tears fall down
Is that the only scars in Heaven
Are on the hands that hold you now
I know the road you walked was
anything but easy
You picked up your share of scars along
the way

Oh, but now you're standing in the sun
You've fought your fight and your race
is run
The pain is all a million miles away
The only scars in Heaven

They won't belong to me and you
There'll be no such thing as broken
And all the old will be made new
And the thought that makes me smile
Even as the tears fall down
Is that the only scars in Heaven, yeah
Are on the hands that hold you now

Hallelujah
Hallelujah
Hallelujah

For the hands that hold you now

There's not a day goes by that I don't
see you

You live on in all the better parts of me
Until I'm standing with you in the sun
I'll fight this fight and this race I'll run
Until I finally see what you can see, oh,

The only scars in Heaven

They won't belong to me and you
There'll be no such thing as broken
And all the old will be made new
And the thought that makes me smile
now

Even as the tears fall down
Is that the only scars in Heaven
Are on the hands that hold you now

Five More Minutes Scotty McCreery

Eight years old, couple cane poles sittin'
down by the creek
Lines in the water, watchin' those
bobbbers, seein' that red sun sink
Mama's on the porch yellin', "Supper's
hot! Ya'll come and get it!"
We yelled, "Five more minutes"

At 16, it was 12:03, standin' at her front
door
And Katie's dad said "Midnight", but we
needed just a little more
Yellow light flippin' on and off
interruptin' that good night kissin'
We wanted five more minutes

Time rolls by the clock don't stop
I wish I had a few more drops of the
good stuff, the good times
Ah, but they just keep on flyin'
Right on by like it ain't nothin'
I wish I had me a pause button
Moments like those, Lord knows I'd hit
it
And give myself five more minutes

At 18, turned my helmet in and walked
to the 50-yard line
Just the coach and me after we lost 18
to nine
And I cried man next time to get in
here, I'll have to buy a ticket
"Can't you give me five more minutes?"

Time rolls by the clock don't stop
I wish I had a few more drops of the
good stuff, the good times
Ah, but they just keep on flyin'
Right on by like it ain't nothin'
I wish I had me a pause button

Moments like those, Lord knows I'd hit
it
And give myself five more minutes
At 86, my grandpa said, "There's
angels in the room"
All the family gathered 'round, we knew
the time was comin' soon
With so much left to say I prayed, "Lord
I ain't finished"
"Just give us five more minutes"

Time rolls by the clock don't stop
I wish I had a few more drops of the
good stuff, the good times
Oh, but they just keep on flyin'
Right on by Like it ain't nothin'
I wish I had me a pause button
Moments like those, Lord knows I'd hit
it
Yeah, sometimes this ol' life will leave
you wishin', you had five more
minutes
