

I Won't Let Go

Rascal Flatts

It's like a storm
That cuts a path
It breaks your will
It feels like that
You think you're lost
But you're not lost on your own
You're not alone

I will stand by you
I will help you through
When you've done all you can do
And you can't cope
I will dry your eyes
I will fight your fight
I will hold you tight
And I won't let go

It hurts my heart
To see you cry
I know it's dark
This part of life
Oh, it finds us all
And we're too small
To stop the rain
Oh, but when it rains

I will stand by you
I will help you through
When you've done all you can do
And you can't cope
I will dry your eyes
I will fight your fight
I will hold you tight

And I won't let you fall
Don't be afraid to fall
I'm right here to catch you
I won't let you down
It won't get you down
You're gonna make it

Yeah, I know you can make it
'Cause I will stand by you
I will help you through
When you've done all you can do
And you can't cope
And I will dry your eyes
I will fight your fight
I will hold you tight
And I won't let go

Oh, I'm gonna hold you
And I won't let go
Won't let you go
No, I won't

'Til You Can't

Cody Johnson

You can tell your old man
You'll do some large-mouth fishing
another time
You just got too much on your plate
To bait and cast a line
You can always put a rain check in his
hand
'Til you can't

You can keep putting off forever
With that girl whose heart you hold
Swearing that you'll ask someday,
further down the road
You can always put a diamond on her
hand
'Til you can't

If you got a chance, take it
Take it while you got a chance
If you got a dream chase it
'Cause a dream won't chase you back

If you're gonna love somebody
Hold 'em as long and as strong and as
close as you can
'Til you can't

There's a box of greasy parts sitting in
the trunk of that '65
Still waitin' on you and your grandad to
bring it back to life
You can always get around to fixing up
that Pontiac
'Til you can't

If you got a chance, take it
Take it while you got a chance
If you got a dream chase it
'Cause your dream won't chase you back

If you're gonna love somebody
Hold on as long and as strong and as
close as you can
'Til you can't
So take that phone call from your mama
And just talk away
'Cause you never know how bad you
wanna
'Til you can't someday

Don't wait on tomorrow, 'cause
tomorrow may not show
Say your sorry's, your I love you's
'Cause man, you never know

If you got a chance, take it
Take it while you got a chance
If you got a dream chase it
'Cause a dream won't chase you back

If you're gonna love somebody
Hold 'em as long and as strong and as
close as you can
'Til you can't

Yeah, if you got a chance, take it
Take it while you got a chance
If you got a dream chase it
'Cause a dream won't chase you back

If you're gonna love somebody
Hold 'em as long and as strong and as
close as you can
Until you can't
'Til you can't
