

Missing you this Christmas,
But you being in heaven
is better than you
suffering here w/ cancer.

I know there was only
one like you, there is
no way God made two
Now you are all I am
living for, you were my
first wife, your my last
& only wife you are &
shall be my everything.

2025

your gift to me was
your unconditional
love, a gift I am
grateful for, for ~~every~~
ever.

So much of our life
is a reflection
of the amazing wife you are,
and I'm so thankful for you.

Love U Pete
