

Ettore Majorana

Majorana in the 1930s

Born 5 August 1906
Catania, Italy

Died Missing since 1938, likely still
alive in 1959^[1]
unknown

Alma mater Sapienza University of Rome

Known for Exchange force
Relativistic wave equations
Majorana equation
Majorana fermion
Majorana representation

Scientific career

Fields Particle physics

Institutions University of Naples

This man's work
IN ELECTRO MAGNETIC
SPECTRUM & OTHER
work may support
Research in
SCALAR WAVE
TREATMENT
