RE: FORMAL COMPLAINT OF SERIOUS RIGHTS VIOLATIONS

Journalist For Justice
5980 Pahrump Valley Road
Pahrump, NV 89048

This letter serves as notice to inform a serious violation of the rights of people living in Nye County, Nevada.

There is a group of persons working for NYE County, Nevada called Code and Compliance Department.

They are constantly entering and harassing people about their personal real property. They do this while flashing badges acting as de facto Peace officers.

Criminal complaints against people and their private property are regularly being filed which are all false filings under color of law. These summons are criminal in nature requiring people to defend themselves against exorbitant fees, fines and criminal charges.

They also sign names of actual Peace Officers to citations without the authority or knowledge of the Peace Officers. Basically falsifying documents.

These actions exceed their authority under the resolution adopted by Nye County.

We find this hard to believe that the District Attorney, Public Defenders and Justice of the Peace Judges have not looked up, reviewed the resolution, or questioned their authority limits. Additionally, the Judges have been fining persons more than the statutory limits of the fines repeatedly and consistently.

These persons are issuing citations where they have no authority, signing officers' names without their knowledge or approval. They have used their position to terrorize people and cause serious financial and mental anguish as they violate people's rights. People have spent excessive amounts of monies trying to comply with people who never had any authority and have acted falsely under color of law.

We look forward to a quick resolution, parties involved held accountable, people harmed are made whole, actions taken to insure this does not happen again.

Cordially,

A handwritten signature in blue ink, appearing to read "Gerald Butler". The signature is fluid and cursive, with a large initial "G" and a long, sweeping underline.
