LAVONDILYN WATSON SAN KITTS

LaVondilyn Watson San Kitts sees taking big, bold steps of faith and walking out God's plan for your life as serious business. Affectionately referred to as "the best coach on the planet!", LaVondilyn has been coaching entrepreneurs of faith and speaking to faith-based audiences for over 15 years. And when it comes to doing business by faith, she is no nonsense...and it shows in her Scripture-packed, straightforward, motivating style of delivery!

"I believe entrepreneurship is calling, just like other service roles, including doctors and teachers. We are called to serve the marketplace with our gifts, and we should passionately build our businesses accordingly. We must hear the voice of God, and walk in obedience - no different than Abraham, Moses, David, Esther or Jesus Himself," says LaVondilyn.

LaVondilyn is certified in life and executive coaching through the Coaches Federation, and has earned her Master's degree in Business Administration. She has self-published 6 books, and is currently writing, *Business by Faith*, scheduled for release in the Fall of 2020. In addition to 2 proprietary coaching systems, she has created *Writeousness™*, a 90-day self-publishing program, *Business By Faith™*, a 6-week virtual group coaching intensive, and over 30 digital products. LaVondilyn coaches entrepreneurs of faith both online and live at faith-based business conferences and summits nationwide. And through her life coaching ministry, on FIAMinistries.com, she shares a daily "cup of Jesus" called *FIA Good Morning™*, a podcast that reaches thousands of women of faith every weekday morning.
