

CHRISTIAN AID

Christian Aid, like many charities, is struggling due to COVID19 just as their partner organisations in third world countries are struggling also, due to a lack of vaccines, crippling national debt and fire, flood and drought caused by climate change.

Christian Aid week, this year is from May 10th to May 16th. There will be no house to house collection this year again due to Covid so we have to adapt.

We intend to contact as many households in Mobberley as possible either digitally or by leaflet with details of our just giving page which will be linked to a contactless device available 24/7 for the whole week at Mobberley Methodist Church where we will hold a sponsored sleep out and prayer vigil bearing witness to those less fortunate than ourselves.

We invite everybody to link their own sponsored events to the Christian Aid just giving page and have some fun along the way; showing what a caring and compassionate community we are.

Please think of Christian Aid when you have your job!
